

36-MONTH TECH-NET® PROFESSIONAL AUTO SERVICE TIRE ROAD HAZARD PROTECTION PLAN

YOU MUST PRESENT YOUR ORIGINAL TIRE PURCHASE INVOICE TO SUBMIT REQUESTS FOR BENEFITS

This 36-Month TECH-NET® Professional Auto Service Tire Road Hazard Protection Plan ("Road Hazard Program") is provided by the TECH-NET Auto Service facility identified on your invoice for the new tires you purchased ("Original Selling Facility") as part of a service package.

WHAT IS COVERED: This Road Hazard Program covers only the new tires that you purchased from the Original Selling Facility and that are (i) listed clearly on your original purchase invoice by brand, type, and size and Department of Transportation ("DOT") numbers, and (ii) for which you purchased the Road Hazard Program ("Eligible Tires"). This Road Hazard Program is limited to the repair or replacement of tires damaged as a result of a road hazard.

TERM OF COVERAGE: This Road Hazard Program covers eligible tires for a term of 36 months from the tire purchase date on your original invoice, or until any part of the tire tread that comes in contact with the road has a tread depth of 2/32" or less, whichever occurs first ("Coverage Term").

WHAT IS ROAD HAZARD DAMAGE? Road hazard damage occurs when a tire fails during the course of driving in a legal manner on a road maintained by state or local authority. Nails, glass and potholes are the most common examples of road hazards.

WHAT ARE THE BENEFITS? This Road Hazard Program provides reimbursement for (i) flat tire changing assistance up to \$75.00 per incident; (ii) flat tire repair up to \$25.00 per tire, per occurrence; and/or (iii) tire replacement up to the lesser of the original purchase price of the tire, the replacement tire cost, or \$399.99, per tire per occurrence, as set forth below (collectively the "Benefit Limits") during the Coverage Term, when an Eligible Tire is damaged by a road hazard.
